Class: No. Name:

Please read the short reading below and follow the indications to do the comparison.

Tony knows two Erics. One lives in Tainan and the other lives in Los Angeles. They go to different schools, so they have different school lives. Eric in Tainan usually stays in the same classroom. Sometimes he brings his own lunch box to school. He goes to school by city bus.

Eric in Los Angeles does not stay in the same room because he has to go to different classrooms for different subjects. He does not bring a lunch box to school, so he has to eat in the cafeteria. He takes the school bus to school. Which do you like: the school in Los Angeles or the school in Tainan?
