Football, “soccer” in the US, is the most popular sport in Brazil. Also, the nation won the most games during the Soccer World Cups and more FIFA World Cup championships (5 times) than any other country. The sport in Brazil started at the end of 19th Century when a man, Charles Miller (1874-1953), brought the game from the UK to Brazil. He set up two football teams and the first football league in Brazil. Football quickly became popular with Brazilian people. Charles Miller, then, was praised “the father of football” in Brazil.

Pelé (1940- ) is the hero to lead Brazil National Team to write all-time records and rich football history. Although Pelé grew up in a poor family, son of football player, practicing kicking football in the streets, he showed his talent for soccer at very young age. He started his football career life at 15, went into the Brazil national football team at 16, and wonderfully won the FIFA World Cup at 17, 1958. Later, he led the national team and won two more FIFA World Cups, 1962 and 1970, the only player ever to do so. Pelé also helped put football in every street, backyard, work yard, school, park and everywhere else. He is one of the greatest players in the History of Football in Brazil as well as THE WHOLE WORLD.

After Pelé, another football talent, Ronaldo (1976- ), starred for the Brazilian national team to win World Cup championship (2002) and one second place (1998). Like Pelé’s story, he also had poor early life, started football career playing at very young age, 16, and then got into the Brazil national football team the same year, 1993. In 1994, the Brazil national team won the World Cup, but he did not play in any games. Although he got badly hurt and lost the final game to France in the next World Cup, 1998, he still earned the title of the best player. Four years later, with the hurt in his knee, he and the national team finally won the highest honor of FIFA.

Many great players through Brazilian football history come from the streets of Brazil. What would a World Cup be without the yellow-colored soldiers? Will the Brazil team win the sixth World Cup this year? Let’s watch!
