in front of me	in a car	on the bed	in the kitchen
			
on a scooter	under the table	in the bathroom	next to a river

Script:

Yesterday Mr. Right called me at 10 in the morning and asked me to go out. I said, “OK,” and left home 30 minutes later. I sat on a bench in the park waiting for him. Then I saw him come on a scooter. He took me to a beautiful house next to a river. But it was very strange that nobody else was in it. I was so scared and would escape from it. Suddenly, a big giant appeared behind us and pushed us into the house. Mr. Right was kicked into the kitchen and was locked in it. I was carried to the second floor and was put in a bedroom, tightened on a bed. The giant stood in front of me and giggled. He is so so so ugly! Uh... Suddenly, Mr. Right showed up, shouting, “Don’t hurt the woman.” He got a hammer under the table, dashed to the giant and started to fight between the beds. I struggled and freed myself. I rushed in the bathroom and cried “help” at the window. It is too high to jump, so I ran down to the first floor. The guys also came down and kept fighting in the living room. I found a key hung on the wall, near the clock. I jumped onto the sofa and tried to get it. The giant also hopped forward to me. I screamed but luckily got the key. The giant ran after me, and Mr. Right ran after the giant and beat it. I opened the door and ran out, but I fell down in the garden. I cried for help.

“Honey! Come back,” shouted Mr. Right.

Come back? Did I hear right?

“Honey! Forgive me. That is my brother dressing costume and wearing a mask. He had a Halloween party last night, and he wanted to give us a surprise today.”

Teacher's Note

1. 適用於七年級上學期學到表示地方的介系詞片語。我自編的超瞎的故事。^_^
2. 老師唸文章，學生聽到片語即可。不要太在乎文章內容，只要注意聽到片語即可。若學生聽得懂故事，那更好！

步驟：

1. 先帶學生念格子裡的片語，熟悉聲音，再告訴學生要注意聽老師念的文章裡會出現哪些片語。
2. 請學生先猜可能會在文章中出現的片語，圈 8 個（7 個也可以），讓圈起來的格子可以形成兩條連線。直、橫、斜向直線都可以。共用、不共用格子都可以。
3. 當老師唸到的地點，剛好自己也有圈到，則在格子裡打 V。V 共同有，就算一個，當 V 出現形成兩條線，就大聲喊 **Bingo**。
4. 老師在唸的時候可以有戲劇效果的語調，但答案（片語）要稍微放慢並強調。
5. 老師開始念，學生聽，並勾選自己也有圈到的。
6. 範例：
